

ಶ್ರೀ ಬಿ. ಚಾಮಯ್ಯ.—ಎನ್ನಿಮೇಳನ್ನು ರಿವೈಸ್ ಮಾಡಲು ಇಷ್ಟು ವಿಳಂಬವೇಕೆ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಜನ್ನಬಸಪ್ಪ.—ಅದಕ್ಕೆ ಆಗಲೇ ಉತ್ತರ ಹೇಳಿದ್ದೇನೆ. ಆ ಕಾಲನ ಫಿಜಿಬರ್ ಆಗಿದ್ದರೆ ಬೇಗನೆ ಮಾಡಿಸಲಾಗುತ್ತದೆ.

DAMAGE CAUSED TO BENAKANKOPPA VILLAGE IN GADAG TALUK FROM FLOOD DURING RAINY SEASON.

*Q.—88. Sri K. P. GADAG (Gadag).—

Will the Government be pleased to state.—

(a) whether they are aware of the fact that a village by name Benakankoppa in Gadag Taluk is likely to be flooded by Yakki and Gaddi Nalas during rainy season ;

(b) whether these Nalas had ever entered into the village and caused any damage to the village ;

(c) if so, what measures Government have proposed to take so that the said village may be out of flood danger ?

A.— Sri KADIDAL MANJAPPA (Minister for Revenue).—

(a) Yes.

(b) Yes. During the recent heavy rains in September-October 1960, these Nalas were in floods and the village was surrounded by water. Water also entered a few houses and some manure pits were inundated.

(c) The villagers were advised to select a suitable site for shifting the village and were also asked to form Housing Society. The villagers had applied for acquisition of S. No. 12 of the village but the acquisition proceedings were dropped as the villagers failed to credit the acquisition charges. As the shifting of the present village site to a place free from flood danger, is considered to be the only feasible solution, the question of acquisition of this survey number or other suitable land at Government cost is being examined. An alternative proposal for putting a dam to the Halla courses is also being examined.

*Sri K. P. GADAG.—May I know whether any action has been taken by Government to acquire the land to put a dam for the nala ?

†Sri KADIDAL MANJAPPA.—This question is being examined whether the land required for the village should be acquired by Government or alternatively, whether it is feasible to put dam to prevent the flood water entering the village. The matter is under consideration.
